## WHAT IF IT RAINS?

Due to our tight scheduling, it is extremely difficult to have makeup days.

Our procedures are:

**FIRST RAINY DAY** is Safety Day. Participants will watch videos about water safety and upper levels will watch stroke performance videos.

**SECOND RAINY DAY** will be used to practice and review safety and swimming skills.

**Remaining classes will be extended five minutes.**

**If there are three or more rainy days**, classes will be made up on Fridays.

# Missed early registration?

*You can still register until the Friday before the class begins!
